

OUTPUT FOR CHALLENGE 1: TEAM CONTRIBUTION MULTIPLIER

The image shows a terminal window with a dark background and light-colored text. The window has a title bar at the top with tabs for 'PROBLEMS', 'OUTPUT', 'DEBUG CONSOLE', 'TERMINAL' (which is active), 'PORTS', and 'GITLENS'. On the right side of the title bar, there are icons for 'Python Debug Console', a plus sign, a minus sign, a trash can, and a close button. The terminal content shows a command prompt 'PS C:\Users\LENOVO\Downloads>' followed by a long command to run a Python script. The output shows the command was executed successfully, returning '[0, 0, 9, 0, 0]'.
